Mr. Jones made a motion to adjust the agenda in this manner, to which Ms. Hollingsworth seconded. The vote to accept this revision was unanimous.

Mayor Harris asked the City Attorney if it would be appropriate to convene two closed sessions for the purpose to discuss (1) potential property acquisition; and, (2) economic development. City Attorney advised it would be appropriate pursuant to **GS § 143-318.11. (a)(3)** and **(6).** Each closed session will require a separate motion, second and vote to discuss the matter. Council will enter and exit regular session for each closed session.

At 6:42 p.m., Mr. Landreth moved, seconded by Mr. Jones, Council go into closed session to discuss a property acquisition matter. Motion carried unanimously. Authorized to remain for the closed session with Council and the Attorney were the Manager, Planning Director, Finance Director, Police Chief, Planner Aaron Bland, Planner Daniel Cobb and Acting City Clerk, Sarah Lutz.

Mayor Harris requested that the City Attorney confirm that Council may enter into closed session to discuss an economic development matter. Mr. Pratt confirmed that North Carolina General Statute allows for Council to enter into closed session for the reason mentioned above.

Mayor Harris asked for a motion to re-enter closed session for the purposes of economic development. At 7:04 p.m., Mr. Landreth motioned to re-enter closed session, seconded by Mr. Dickson.

Council Returned to Regular Session – At 7:51 p.m. Council resumed the meeting in regular session. No official action was taken in closed session and the Minutes of the closed session are authorized to be sealed.

Comprehensive Plan Update Work Session:

J. Freeman began the work session by recognizing the work of Planner Aaron Bland, consultant Susan Evans, and the Planning Board on the comprehensive plan and then recognized Aaron Bland to speak.

A. Bland explained the public input process to Council, including twelve sessions from December 2012 to May 2013 of public input sessions, and then presented a tentative schedule for Council to review and adopt the Comprehensive Plan.

A. Bland reviewed three of the major themes of infill development, natural resource protection, and walkability as well as general concerns expressed in public input regarding the increasing median age in the community, the nature of the workforce, the economic vitality of the community, and the constraints on growth.

After general discussion where Staff was given direction to further review the economic development chapter of the plan and some comments were made about outreach, Council had consensus to continue to review the document and await feedback from the Planning Board.

At 9:00 p.m., Mr. Morrow motioned to adjourn the work session, seconded by Mr. Landreth. The motion carried unanimously.
